

MEETING ATTENDANCE POLICY

Local and State Meetings

Attendance at Local and State Meetings affects the member's playoff eligibility and officiating classification for the following year's football season.

Playoff Eligibility

A member is eligible for current year playoffs if, inter alai, he/she attends three of the first six meetings.

Officiating Classification

Attendance at Local and State meetings determines a member's classification for the following year's football season (see NHFOA Member Classification Schedule, Appendix A, NHFOA By-laws). A member may voluntarily opt for a classification lower than what he/she would otherwise be eligible.

A member may upgrade their classification in the following year's football season to varsity level game assignment entitlements – Classification 1 – by complying with Article 1, Section 1 of the NHFOA Bylaws.

NOTE: The above requirements are not penalties for missing meetings but are benefits associated with attendance.
