

NHFOA Membership

Being a council member representing the NHFOA has been an honor and privilege. Therefore, I am once again asking for your support in my run for re-election!! My goal as Council Member is to represent my fellow officials while maintaining the standards that the NHFOA was built on.

One of my goals is to work with the Commissioner and Council on improving the current rating system to a bring a new level of transparency and fairness that will be respected by all members. I will continue to make myself available to all members who have any concerns or questions. One of my joys in my officiating career is my willingness to share my knowledge of the game of football with the newer members of the NHFOA. I will continue to strive to make the NHFOA a community of fairness and brotherhood and sisterhood.

Thank you,

Greg Sarette
