

John Morris

Please accept this email as a notice of my candidacy for the NHFOA Council.

The purpose for candidacy is a deep respect for the NHFOA, concern that the core values of the organization are continued into the future and to assist incorporation of the needed changes in order to meet the challenges of providing the best possible officials for the players and schools we serve. I understand that this process is not easy. It will need dedicated people motivated to do the work needed to assure the future of the NHFOA remains high quality officiating and has the flexibility as an organization to adapt to the needs of football now and in the future.

I am willing to do the work and respectfully ask for your vote.
