

All NHFOA members, I am running for the soon to be vacant position of President Elect on the NHFOA Council and I would appreciate your vote. I have been a proud, patched official since 1997. I feel that my experience on the football field, as a current NHFOA council member since 2018, as Mechanics Supervisor since 2018, as a council member for the NH Baseball Umpire Association (2007-2008) and as NHBUA President (2009- 2011) make me an ideal candidate. There have been many fantastic, fellow officials who have taken the time to make NHFOA as great as it is for all of us and I would like the opportunity to take the next 6 years and help with the continued excellence and assist with the growth of the NHFOA.

A little about myself...when it is not football season I spend as much time as possible with my wife of 22 years, Amy. We are usually travelling up and down the east coast to watch our eldest daughter, Trina (21), perform in horse shows and to cheer for our youngest daughter, Rachyl (19), who attends Plymouth State University and plays on the softball team. We also have 3 sons who have families of their own and have given us 2 granddaughters and a grandson. We live in Temple. I work at Comcast as a Lead Field Tech installing business internet, phone, video and security services.

During my 23 years with NHFOA, I have seen many changes and it is inevitable that more change will come. I am eager to become President Elect to help ensure those changes are positive for NHFOA, for NH High School football and for all of us.

Thank you for your time, and please consider me when you cast your vote.

Rick Parslow
