

All NHFOA members,

I am running for one of the soon-to-be vacant Executive Council seats, and I would appreciate your vote. I have been a proud, patched official since 1997. I feel that my experience on the football field, as a council member for the NH Baseball Umpire Association (2007-2008), and as NHBUA President (2009-2011) make me an ideal candidate. There have been many fantastic, fellow officials who have taken the time to make NHFOA as great as it is for all of us, and I would like the opportunity to do the same.

A little about myself...when it is not football season I spend as much time as possible with my wife of 20 years, Amy. We are usually travelling up and down the east coast to watch our eldest daughter, Trina (19), perform in horse shows and to cheer for our youngest daughter, Rachyl (17), who plays on a Jr. Olympic softball team. We also have 3 sons who have families of their own and have given us 2 granddaughters and a grandson. We live in Temple.

I work at Comcast as a Field Tech installing business internet, phone, video and security services.

During my 21+ years with NHFOA, I have seen many changes, and it is inevitable that more change will come. I am eager to become a member to the council to help ensure those changes are positive for NHFOA, for NH High School football, and for all of us.

Thank you for your time, and please consider me when you cast your vote.

Rick Parslow
